Scripture Study 2017-2018

Traveling with St. Paul

St. Paul was significant for the early Church since his experience of the Risen Lord was central in shaping the faith of the first followers of Jesus. The series starts with a look at small church groups and the people who were the first believers. Each class will invite discussion as well reflecting and praying with sections of the letters.

Facilitator: S. Emily Meisel, OSB **Cost:** Free-will offering
